

LET US HAVE A WORD WITH YOU About Clothing.

There are at least half a dozen reasons why you should at least know what is being shown at Morrison Bros., before you make your purchase.

1. The breadth of the Stock-Variety.
2. Handsomest fabrics shown anywhere.
3. Correct and stylish cut of garments.
4. The excellence of the Hidden linings and workmanship.
5. Finish excelled only by the finest custom work.
6. Lastly, prices that are decidedly lower than can be found elsewhere on clothing of equal character.

This is the way our clothing is made.

These are a few of the reasons which have built up this enormous clothing business here in so short a time. There had to be a tangible and distinct evidence of betterness or the business would neither have come to us nor staid with us.
